Introduction

Greetings, traveller!

Thank you for purchasing Falconhoof: The Call of Adventure.

On your quest you'll be guided by the narrator on how to progress through the game. Simply enter a number or word to respond to the narrator's instruction. Refer to the following sections for further detail on how to play the game.

Input - Numerical

In the below image (Figure 1) valid inputs are “1” or “2”. Submit your response by pushing the Enter key.

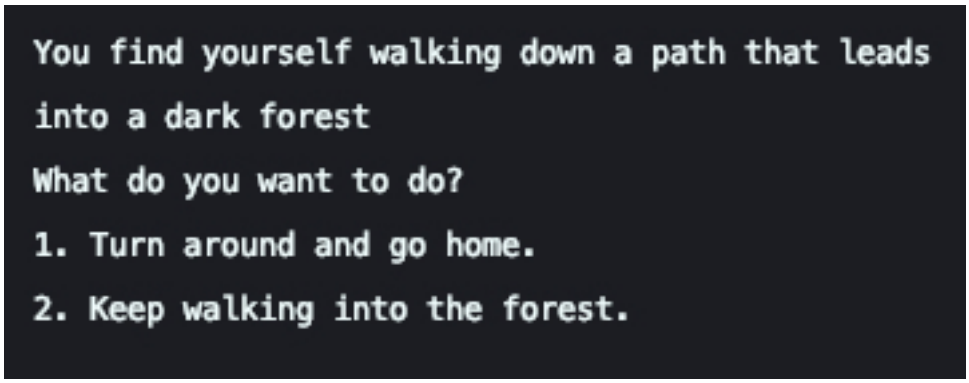

Figure 1

After entering a valid response, the game will progress. Figure 1.1 below shows a section of the scene that follows on from Figure 1.

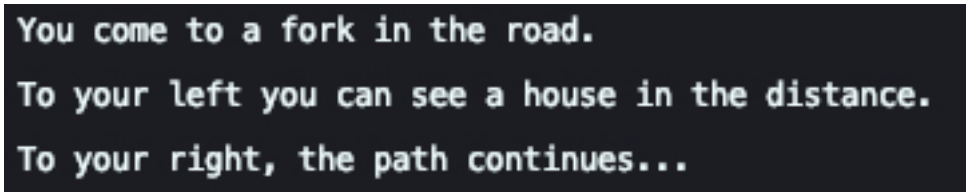

Figure 1.1

Note: Some challenges may require you to input a number that includes a decimal place followed by one or more numbers, be sure to follow the narrator’s instructions carefully!

Input - Text

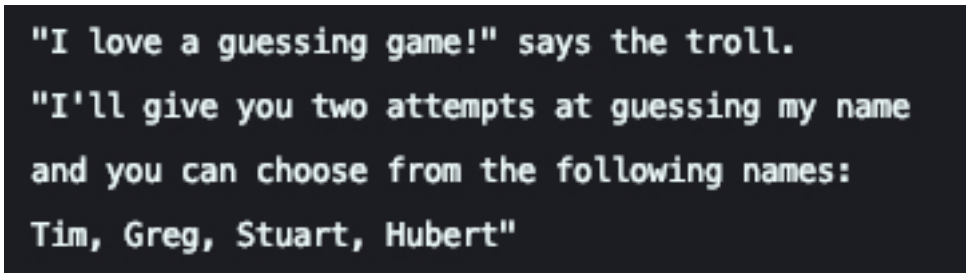

Figure 2.

In the above example valid inputs would be “Tim”, “Greg”, “Stuart” or “Hubert”. After entering the word, submit your response by pushing the Enter key.

Note: You are not required to capitalise the words as they are presented by the narrator. The narrator is clever enough to understand your reply!
